HP is committed to reducing the environmental impact of our products. As part of our continuing efforts, HP is moving more content to the web and to your hard drive. This card directs you to appropriate resources. Thank you for purchasing an HP workstation!

Locating workstation resources

Where do I find?	Refer to one or more of the following:
QuickSpecs **Replacement videos** **and other resources**	Go to www.hp.com/go/quickspecs to view the QuickSpecs for your workstation model. Go to www.hp.com/go/sml and select your workstation model to access removal and replacement videos and other resources.
Documentation	Go to http://www.hp.com/support, and follow the instructions to find your product and view a list of available documentation. On the Windows® 7 desktop, select **Start**, select **HP Help and Support**, and then select **HP Documentation**. In Windows 10, select **Start**, select **All Apps**, select **HP**, and then select **HP Documentation**. On your Linux® desktop, launch the HP default browser home page.
Diagnostics, **troubleshooting,** **software, and drivers**	Go to http://www.hp.com/support, and follow the instructions to find your product. You can find the following types of assistance: • Troubleshooting a problem (self-help documents) • Diagnosing a problem • Online chat with an HP technician • Customer Advisories or Customer Notices • Available software and drivers
US support	For U.S. support, go to http://www.hp.com/support, and follow the instructions to find your product. Here, you can access the following types of support: • Online chat with an HP technician • Support telephone numbers • HP service center locations
Warranty information	You can find your HP Limited Warranty located with the user guides on your product and/or on the CD or DVD provided in the box. In some countries or regions, HP may provide a printed warranty in the box. For countries or regions where the warranty is not provided in printed format, you can request a copy from www.hp.com/go/orderdocuments. For products purchased in Asia Pacific, you can write to HP at POD, PO Box 161, Kitchener Road Post Office, Singapore 912006. Include your product name, and your name, phone number, and postal address.

End User License Agreement

By installing, copying, downloading, or otherwise using any software product preinstalled on this computer, you agree to be bound by the terms of the HP End User License Agreement (EULA). If you do not accept these license terms, your sole remedy is to return the entire unused product (hardware and software) within 14 days for a full refund subject to the refund policy of your seller. For any further information or to request a full refund of the price of the computer, please contact your seller.

Warnings

⚠️ **WARNING!** To reduce the risk of electric shock or damage to your equipment:

- Plug the power cord into an AC outlet that is easily accessible at all times.
- Disconnect power from the computer by unplugging the power cord from the AC outlet.
- If provided with a 3-pin attachment plug on the power cord, plug the cord into a grounded (earthed) 3-pin outlet. Do not disable the power cord grounding pin, for example, by attaching a 2-pin adapter. The grounding pin is an important safety feature.

For more safety and regulatory information, and for battery disposal information, refer to the *Regulatory, Safety and Environmental Notices* provided with your user guides. To locate the user guides for your computer, see the "Locating workstation resources" section.

⚠️ **WARNING!** To reduce the risk of serious injury, read the *Safety & Comfort Guide* provided with your user guides. It describes proper workstation setup, and proper posture, health, and work habits for computer users. The *Safety & Comfort Guide* also provides important electrical and mechanical safety information. The *Safety & Comfort Guide* is also available on the web at http://www.hp.com/ergo.

⚠️ **WARNING!** If a product is shipped in packaging marked with this symbol, 📦, the product must always be lifted by two persons to avoid personal injury due to product weight.
