

Cromemco

Dear Suds Subscriber,

Your subscription to the Software Update Service for 68000 Cromix has expired. Due to the delay in notification, your current subscription will be extended until January 20, 1983. Thereafter your subscription will no longer be in effect.

To ensure your software is up-to-date during the coming year, please complete and return the enclosed order form along with the renewal fee of \$95.00 to the attention of the Software Update Department.

For your convenience, the service fee may be charged to your MASTERCARD or VISA. Payment may also be made check (domestic subscriptions only) or money order.

Thank you for your continued interest in and support of the Software Update Service.

Best Regards,

Software Update Department
Customer Service

SOFTWARE NOTICE

Hdtest AND THE HD-20

Users who own the HD-20 should now use only the 0.22 version of Hdtest. Do not use any earlier versions of Hdtest.

The new version will be available to dealers on the Software Update Service.

Dealers who currently have HD-20's and need version 0.22 should contact the SUDS desk.

NOTICE

The Cromix-DS diskettes in this update package have been write-protected. This will cause read errors, but will not damage the diskettes.

Prior to using the update, please remove the write-protect stickers.
