 SECTION Keyboard SHEET 1

FIELD ENGINEERING SECTION

Approved by: *[Signature]* PROJECT ENGINEER *[Signature]* MANAGER FIELD ENGINEERING

KB - L1, L2 OPTIONAL FUNCTIONS

The L1 and L2 functions (Position Select and Field Select) are optional and therefore will not be on all keyboards. All keyboard assemblies in the 500xxx (500001 and up) series will be minus the L1 and L2 functions. Before exchanging keyboard assemblies, check the unit's serial number to ensure that it is compatible with the unit being exchanged.
